

Northeast Faculty/Scientist/Educator Hiring Decisions Survey Results
June 2013

Institution	Positions Hired			T/R/E
	Title	Discipline	Subject Focus	
U. Connecticut	Asst. Professor	Natural Resources & the Environment	Landscape Ecology	50T/50R
	Assoc. Professor	Agriculture & Resource Economics	Food & Health	50T/50R
	Asst. Professor	Animal Science	Dairy Food Processing	25T/50R/25E
	Asst. Professor	Animal Science	Food Microbiology	30T/70R
	Asst. Professor	Pathobiology & Veterinary Science	Bacterial Pathogenesis	20T/80R
	Asst. Clinical Professor	Allied Health Sciences	Medical Laboratory Science	60T/40R
	Asst. Professor	Nutritional Sciences	Diet and Chronic Disease	50T/50R
U. Maine		Plant Pathology	Potato Diseases	30T/70R
		Landscape Horticulture	Environmental Horticulture	50T/50R
		Agricultural Economics	Production Economics	50T/50R
		Plant Ecology	Paleoecology / Climate Change	30T/70R
		Stream Ecology	Invertebrates	50T/50R
		Forestry	Forest Landscape Management	40T/60R
		Wildlife Ecology	Vertebrate Population Ecologist	50T/50R
		Forest Ecology	Carbon and Climate	40T/60R
Cornell U.	Assoc. Prof.	Natural Resources	Director of conservation science, conservation biology	TBD
	Assoc. Prof.	Plant Breeding & Genetics	Molecular breeding and genetics for nutritional quality	40T/60R
	Professor and Director Tata-Cornell Agriculture and Nutrition Institute		Reduce poverty and malnutrition in rural India	50R/50Admin
	Assistant Prof.	Earth and Atmospheric Sciences	Extreme weather during climate change	50T/50R
	Assistant Prof.	Biological and Envir. Engineering	Biomaterials engineering	50T/50R
	Associate Prof.	Landscape Architecture	Built environment	70T/30R

Northeast Faculty/Scientist/Educator Hiring Decisions Survey Results
June 2013

Institution	Title	Positions Hired	Subject Focus	T/R/E
	Extension Educator 3	Discipline	Agronomy	
	Extension Educator 2		Dairy Systems Management	
	Extension Educator 3		Dairy Systems Management	
	Extension Educator 4		Dairy Systems Management	
	Extension Educator 3	Bio-energy	Ecosystem Science & Management	
	Extension Educator 3		Family & Consumer Sciences	
	Extension Educator 4		Family & Consumer Sciences	
	Extension Educator 5		Family & Consumer Sciences	
	Extension Educator 5		Food Safety	
	Extension Educator 3		West Nile Virus	
U. Delaware	Asst Prof	Soil Science	Nutrient Mgmt	20R/80E
	Asst Prof, Non-tenure	Plant Path	Disease Diagnostics	100E
Connecticut AES	Postdoctoral	Entomology	Vector Management	100R
	Postdoctoral	Environmental Science		100R
U. District of Columbia	Asst. to the Dean	Respiratory Therapy	Climate Change, Lung Health, Air Quality	T/R/E
	Laboratory Technicain	Environmental Science	Water/Soil	T
U. Maryland	Assistant Professor	Animal Sci.	Open	60T/40R
	Assistant Professor	Nutritional Science	Epidemiology	T/R
	Assistant Professor	Landscape Architecture	History/Theory	100T
U. Massachusetts	Extension Educator	Landscape, nursery, floriculture		100E
	Extension Faculty	Nutrition	Health disparities of low income families	20T/20R/60E
	Extension Faculty	Environmental Science	Urban forestry	20T/20R/60E
	Extension Educator	Vegetable Productions		100E

Northeast Faculty/Scientist/Educator Hiring Decisions Survey Results
June 2013

Institution	Title	Positions Hired		T/R/E
		Discipline	Subject Focus	
U. New Hampshire	Lecturer	Animal/wildlife Sci	Animal behavior	100T
New York AES	Assistant Professor	Soil Arthropod Ecology	Behavioral or population ecology of soil arthropod pests in turfgrass and related industries	60R/40E
U. Rhode Island	Assistant Professor	Cell and Molecular Bio	Food Safety	T/R
	Assistant Professor	Nutrition	Community Nutrition	T/R/E
	Assistant Professor	Geosciences	Coastal Sedimentology	T/R
	Assistant Professor	Statistics	Statistics	T/R
U. West Virginia	Assistant Professor	Biochemistry	Basic science/animal science	T/R
	Assistant Professor	Human Nutrition	Obesity and the elderly	T/R
	Assistant Professor	Silviculture	Forest regeneration	T/R
	Assistant Professor	Landscape Architecture		T/R
	Assistant Professor	Landscape Architecture		T/R
	Assistant Professor	Industrial Design	Product development	T/R
Rutgers U.	Associate Professor	Environmental Sciences		T/R
	Assistant Professor	Landscape Architecture		T/E
	Assistant Professor	Landscape Architecture		T/E
	Professor	Nutritional Sciences		T/R
	Assistant Professor	Marine Sciences		T/R
	Assistant Professor	Marine Sciences		T/R
	Assistant Professor	Marine Sciences	Shellfish	T/R
	Professor	Marine Sciences		T/R

Institution	Title	Positions Hired	Subject Focus	T/R/E
		Discipline		
	Assistant Prof.	Communications	Technology: social media, human-computer interaction, IT in organizations, social psychology of communication technology, digital media	50T/50R
	Assistant Prof.	Entomology	Soil arthropod ecology	60R/40E
Penn State U.	Associate Professor	Entomology	Insect Systematics	75T/15R/10A
	Research Associate	Entomology	Hymenoptera Anatomy Ontology	dmin
	Instructor	Agricultural Economics, Sociology and Education		
	Instructor	Food Science	Resident Education	
	Professor of Agribusiness	Agricultural Economics, Sociology and Education		
	Instructor	Agricultural Economics, Sociology and Education		
	Assistant Professor	Ecosystem Science and Management	Agricultural and Extension Education	50T/50R
	Research Associate		Forest Resources	
			International Programs	
	Assistant Professor	Plant Pathology & Environmental Microbiology	Tree and Fruit Pathology	50R/50E
	Research Associate	Plant Science		12.5T/87.5R
				12.5T/43.75R
	Research Associate	Environment and Natural Resources		/43.75E
	Extension Educator 2		4-H Youth Development	
	Extension Educator 2	STEM	4-H Youth Development	
	Extension Educator 3		4-H Youth Development	
			Ag Economic Development & Marketing	
	Extension Educator 2		Ag Economic Development & Marketing	
	Extension Educator 4		Ag Economic Development & Marketing	
	Extension Educator 3		Ag Entrepreneurship
