Water Resources Tour

Join us for a three-hour tour on Madison's Lake Mendota aboard the Betty Lou. We'll be joined by Professor Steve Carpenter, director of UW's Center for Limnology and member of the National Academy of Sciences. Steve will provide an introduction to the lake's history, its agricultural and urban watersheds, and its management during a time of environmental change. Some of the sights you'll see from Lake Mendota include the Governors Mansion, State Capitol, UW Campus, natural areas & lakefront estates. The tour includes a country picnic. Cruises go rain or shine. Capacity limited to 33.
