

2016 i-Three Issue Corps Projects by Region and Institution

Western Region

University of Alaska	Alaskan Livestock Production and Health Action Growing Alaska's Food Entrepreneurs
University of Arizona	Urban IPM
Oregon State University	Drones for Youth STEM Education Growing Support for the Seed to Supper Program Dry Farming Project
University of Idaho	Underserved Farming Community Collaboration Strengthening the Local Food System in Southwest Idaho
Utah State University	Unleashing the Power of Extension on Climate Change Communication
Washington State University	Animal Agriculture in Changing Climate
University of Wyoming	Superpowering Implementation of Rethink Your Drink

North Central Region

Iowa State University	Food Systems Development Certification Team
Kansas State University	Meeting Requirements of the FDA Food Safety Modernization Act Scaling Up the Local Food System
Michigan State University	Increasing Capacity in the Institutional Use of Michigan Specialty Foods
North Dakota State University	Forks Mobile Market and Education Trolley Kids, Compost, Crops & Consumption
Purdue University	Bringing Climate to the County
University of Missouri	Beekeeping and Honey Production Meeting Requirements of the FDA Food Safety Modernization Act Sustainable Seafood Production
University of Nebraska	Ag Adaptation to Weather and Extreme Events Animal Agriculture in a Changing Climate Ergonomics and Wearables in Agriculture Blog for Beginning Farmers and Local Food Producers GAP Training for Urban Gardeners Nebraska Urban Food Production Online Course Food Security in Rural Areas through Policy Change Wasted Consumer Food Audit & Prevention
University of Minnesota	E3 Gardening Project Food Systems and Climate Issues Cultural Collaboration Minnesota Food Charter Network
University of Wisconsin	Community and Regional Food Systems Toolkit

1890's Institutions

Alabama A&M	E3 Gardening Project Technology Enhancing Exercise and Nutrition (TEEN) Program
Langston University	Goats Online Certification Program
North Carolina A&T University	Brunswick Local Food Project

Northeastern Region

Cornell University	Food Systems Development Certification Team
Maine Department of Agriculture, Conservation and Forestry	Urban IPM
Penn State University	Ergonomics and Wearables in Agriculture Energy Production on Agricultural Land: What Stakeholders Need to Know Toolkit for Regional Food System Assessment
Rutgers University	Grow Healthy Schools and Communities
University of Delaware	Virtual Demonstration Network of Agricultural Climate Change Adaptation and Mitigation Strategies in the Northeast
University of Vermont	Food Systems Development Certification Team

Southern Region

Auburn University	Climate Literacy for Youth EDEN: Competency-based online module "Farm and Ranch Premises Weather Security 101"
North Carolina State University	Climate, Forest and Woodlands data-driven social media campaign Data Sharing Facilitation and Demonstration Food Safety Answers Local Food Program Team Evaluation and Impact Measurement Virtual Field Trips to Local Food Projects for Online Learners Brunswick Local Food Project Refuges of Non-Plant Produced Insecticidal Corn Sustainable Crop Production Sandhills Food Systems The Sustainable Living Series Watering A Food Desert: Partnership Improves Water Quality and Establishes Community Learning Garden Downtown
Texas A&M University	Learn, Grow, Eat & GO! (LGEG) Extension, Volunteer and Teacher Online Training Course Urban IPM Climate Literacy for Youth
University of Arkansas	Food Systems Development Certification Team
University of Florida	Borrow, Adapt, Adopt: Local Government Policies for Climate Resiliency Community Rating System Workshop Reducing Climate Risk in Agriculture: the Power of Phenology Develop 4R Farm, a greenhouse at Ocoee High School Environmental Influences on Food Choices Hydroponics and Edible Landscaping in Rural Communities Garden2Go Greenhouse Systems Evaluation Strategies Urban IPM
University of Georgia	Animal Agriculture in a Changing Climate Pollinator Spaces Project
University of Kentucky	Kentucky Nutrition Education Program Russellville Urban Gardening Seafood Nutrition Partnership
University of Tennessee	Nursery, Greenhouse, Landscaping Tour Grow Scott i-Master Food Volunteers Using Social Media to Tell Agriculture's Story Smart Farmers Markets
Virginia Tech	i-Master Food Volunteers

2016 i-Three Issue Corps Projects Map

Issues • Innovation • Impact
