All,

I noticed that the meeting notes distributed were incomplete. I went back to our flip chart notes and integrated more into an amended version of the meeting notes. For those who attended the meeting in Maine, please review the attached document and correct as you see fit.

We can discuss these notes further on Thursday afternoon.

Colleagues,

Just a reminder that we have a bi-monthly call scheduled for this Thursday @ 1:00 PM. The Zoom log-in information is below. As a continuation of our face-to-face meeting in Maine last month, we will be discussing a Directory of Multi-state Extension and Research in the Northeast. Here are the notes from the discussion of this topic:

Prioritized Approach

- Conduct a quality inventory current multistate programs (we need to create a common format to collect the information)
  - a. Maintain them
  - b. Enhance them
  - c. Identify redundant programs
  - d. Identify gaps in programming
  - e. Seek efficiencies

Attached are notes from our two-day meeting in Maine along with the results of a follow-up survey of those attending.

Thanks,

Mike
