The officers, committee members and liaisons are Directors whose states have paid the yearly assessment to NEED. The incoming Chair is a rotational position based on the alphabetized listing of institutions; refer to page one. A state can elect to defer for a term under extenuating circumstances. The one-year term begins at the conclusion of the annual meeting of the APLU (regardless of whether there is a meeting of NEED) and ends at the same time the following year. The Chair-elect/Secretary is the state next in the rotation to assume the Chair role.

In the event the Chair-elect/Secretary, a committee member or liaison resigns or is otherwise unable to serve, the Chair, in consultation with the remaining members of the Executive Committee, shall make an appointment to fill the unexpired term. If the Chair resigns or is unable to serve, the Chair-elect/Secretary automatically becomes the Chair and completes the unexpired term and then serves as Chair for his/her full term. ARTICLE XI – Assessment

Each year in February, the Executive Director presents to the Executive Committee a proposed financial plan for the upcoming fiscal year. The plan is presented to the NEED membership for approval at the March meeting. The financial plan sets the assessment level for the July 1 start of the fiscal year. Vermont serves as the fiduciary agent. Invoices are sent to each state director by May and are due no later than 60 days from the date of the invoice.

The billing cycle is July 1 to June 30. The assessment is based on the proportional assessment based on Smith-Lever allocations, recalculated each fiscal year and a flat fee agreed upon annually in support of NEED programs to be determined annually by the Directors.

NEED will carry a reserve fund of 25% of the annual operating costs to be used in the case of emergency. Use of reserve funds only can be approved when a quorum of voting members is present and a majority support the use of funds.

ARTICLE XII – Amendment of Rules of Operation

These Rules of Operation may be amended at any business meeting of NEED, provided the proposed amendment has been made available to all members in writing at least one month in advance of the meeting and is passed by a simple majority of the membership.
